2017 SUMMER PROGRAMS

We know accessing quality, age-appropriate education is a priority for you and your family, which is why 9th Bridge School developed a suite of engaging summer camp options for your child. From STEAM-centric sessions for curious minds to cooking courses for creative hearts, our camps look to enrich your little ones throughout the dog days of summer.

9th Bridge School will be offering Summer Care (for Infants, Toddler 1's, and Toddler 2's) and a newly redesigned Summer Camp (for children ages 3-9). Both programs will offer engaging theme-based activities led by our talented teaching staff. Activities are designed to cultivate curiosity, creativity, self-expression, and positive social interaction.
